## 20<sup>TH</sup> ANNUAL MOST VALUABLE PLAYER AWARDS | 2022-2023

The Roofing Alliance's Most Valuable Player Awards program celebrates workers who are outstanding employees within their companies. The Roofing Alliance recognizes these exceptional employees for their performance outside the workplace, such as charitable deeds, community involvement, overcoming challenges and unwavering commitment to helping others.

As an employer, you can nominate your employee(s) for an award in one or both categories:

### OUTSTANDING PERFORMANCE AND LEADERSHIP

Dedicated, reliable employees are vital to a company's success. Among these employees, usually one stands out above all others.

### OUTSTANDING COMMUNITY INVOLVEMENT

Outstanding workers not only have a passion for the work they do and loyalty for their employers, they also show compassion for others outside the workplace. They volunteer their time with their communities, places of worship, families and friends.

### BEST OF THE BEST

The Roofing Alliance will choose one MVP winner to be *Professional Roofing* magazine's Best of the Best. *Professional Roofing* and OMG Roofing Products Inc., Agawam, Mass., co-sponsor this elite recognition. The person selected as the Best of the Best typically stands out in both categories. In addition to a special prize, the winner will be highlighted in a feature article in *Professional Roofing* magazine in spring 2023.

All MVP winners will be invited to attend the 2023 International Roofing Expo® and NRCA's 136<sup>th</sup> Annual Convention March 7-9 in Dallas where they will be formally honored during NRCA's Awards and Celebration.
